WHAT IS MAY DAY?

Beginning in 1928, each May 1st is celebrated as “Lei Day” in Hawaii. This is a proud tradition for celebrating Hawaii’s host culture through dance (hula), music, the art of flower garland (lei) making, food, and honoring Hawaiian Royalty in the form of a Royal Court.

WHY HOLD A MAY DAY ALOHA FESTIVAL?

- To provide an opportunity for SRJC students and surrounding communities to experience one of the most important cultural celebrations of Hawaii on our campuses.
- Strengthen community by creating a venue for Pacific Islander SRJC students to thrive and be recognized.
- Cultivate the philosophy of “Live Aloha.”
- Raise awareness of Hawaiian/Hawaii cultural traditions.
- Dispel myths and misinformation regarding Hawaii and Hawaii’s host culture through cultural presentations and workshops.
